

# Access your prescription history, schedule a refill and more!

At Magellan Rx Management, we are on a quest to provide a connected healthcare experience that truly leads humanity to healthy, vibrant lives. We are committed to delivering quality service and personalized care. Our secure member portal makes it easy for you to quickly refill your prescription and check your order status while also providing access to additional support to help you stay on track.

#### **STEP ONE**

Visit www.magellanrx.com and select Portal Access: Member.

#### **STEP TWO**

Login. If it's your first time on the site, you will need to complete the one-time registration process.

To register, fill out the registration form. Click on confirmation link sent to the email you registered with within 24 hours (if you don't click on the link within 24 hours you will need to re-register).

The link will take you to the member login page and will complete your registration.

Success! Your order has been submitted. Please make a note of your confirmation number.

## IF YOU SELECT SPECIALTY PHARMACY UNDER TOOLS & RESOURCES:

You will need to register under the Specialty Pharmacy section if you receive a specialty medication through Magellan Rx Pharmacy. This will help you get the medications you need and the personalized support and care needed to successfully manage your condition.

## Login today at magellanrx.com.

If you have any questions about your prescription benefits, please call us at 1.800.424.0472.

## Smart Pharmacy Locator

- Locate pharmacies in your area
- Set default pharmacy

## **Medication Videos**

In an effort to empower our members with rich, relevant content for more informed healthcare decision-making, we offer more than 500 medication videos through our member portal. These videos provide:

- Traditional and specialty medication details
- Disease education
- Side effect awareness

# Price a Drug

- Auto-complete feature assists in searching for a drug
- Ability to select from previously filled drug and see dosage and strength options based on the drug selected
- Comparative drug pricing for up to three retail pharmacies
- Drug pricing messages in clear, understandable language
