FORT WAYNE SERVICES

311

311 is Fort Wayne's phone extension that connects to the Citizen's Services Call Center. There you can find more information about a city resource, request a service, or report an issue. 311 is not an emergency line, if you have an emergency call 911. Visit the link provided in the QR code for more information

Police Department

The Fort Wayne Police Department (FWPD) is responsible for maintaining public order and safety. If an incident occurs but there is no threat, injury, or the police are not immediately needed, the non emergency line can be reached at (260) 449-3000. Visit the link in the QR code for more information. Call 911 for immediate assistance.

Fire Department

The Fort Wayne Fire Department (FWFD) provides fire prevention and fire suppression services. For more information on these services call (260)-427-1478 or visit the link provided in the QR code. Call 911 in the case of a fire emergency.

Public Works

Public Works provides services to maintain and improve street management, street clearing, greenways, recycling and waste management, leaf collection, and flood control. Use the QR code to visit Public Work's information page.

Parks and Recreation

Fort Wayne Parks and Recreation provides resources services for Fort Wayne citizens of all ages and abilities. They offer leisure, entertainment, and recreational activities. Fort Wayne Park and Recreation also maintains the local parks, golf courses, and trails. Visit the link provided in the QR code for more information.

Animal Services

Fort Wayne Animal Care and Control offers adoption, lost or found pet services, help for current pet owners, along with youth and volunteer programs. If you find a pet call 260-427-1244 from Monday to Friday 9am to 8pm to have someone pick up the animal. Visit the link in the QR code for more information.

Zoning

The Allen County Department of Planning Services provides information surrounding zoning, and a tool to look up zones based on an address. Use the QR code to visit the site.

Code

Visit the QR code to find information on neighborhood code, what compliance of the code looks like, and what to do if code is not being followed.

Community Development Dept.

The Community Development Department is the place to find information or assistance surrounding planning, redevelopment, neighborhood codes, Fort Wayne's housing and neighborhoods, historic preservation, and public art. To find these resources visit the link in the QR code.
