Note To Reviewer:  
Final Position Of Sidewalk In This Area Is Under Consideration. Sharp Elevation Changes Adjacent To The Sidewalk Will Possibly Require Acquisition Of Permanent Right-Of-Way To Construct The Embankment. Once A More Detailed Construction Cost Estimate Has Been Generated, A Number Of Options Will Be Presented To The LPA. Options May Include Boardwalks, Retaining Walls, Or A Combination Of Those Elements In Order To Minimize Impacts To The Adjacent Area.

Note To Reviewer:  
The Configuration Of The Outfall Currently Located At 50+68, Rt., Will Be Determined At A Future Submittal And After Consultation With LPA.

Note To Reviewer:  
Final Pipe Layout, Size, And Type TBD At Future Submittal.
