**STATE BOULEVARD MITIGATION - ARCHITECTURAL DETAIL INVENTORY**  
**FORT WAYNE, ALLEN COUNTY, INDIANA**  
**DES. NO. 0400587; DHPA NO. 5903**

**Inventory Organization:**

This Inventory collects the Architectural Details and other contents of houses that will be demolished as part of this project. Each house has a section of pages devoted to its inventoried items proceeding in address order beginning on Eastbrook Drive, progressing to State Boulevard and, finally, to Westbrook Drive. Each house inventory is further divided into two sections: Architectural Details and Miscellaneous Items (including modern items, appliance, or landscaping features). Item listings include brief descriptions, location information, quantities, and hyperlinked photographs that show the item (or one like it) that can be opened on a computer by clicking on the item's photo number.

**Searching the Document:**

The Inventory can be searched by keyword using a PDF reader's Search or Find function (usually accessed by Control+F). Instances of the keywords will be highlighted and can be stepped through by using the Next or Previous buttons.
